

"BUT I CAN'T AFFORD A VACATION!"

Sure you can. Vacations don't have to be expensive. You can camp, fish, turn your backyard into a beautiful garden, or go fly a kite.

In fact, you can't afford NOT to take a vacation, unless you're willing to put your health at risk and pay a lot more for medical treatment later in life.

The United States is the only industrial country without a law guaranteeing paid vacations.
